NECO | National Equipment Corporation

Subject: USTR Tariff Price Increase
Date: May 13, 2018

Dear NECO Customers,

On May 10, 2019, some of our products were affected by the tariff increases set by the USTR (Please see attached document with new list pricing for the affected products).

For orders entered **before May 14, 2019:**
Items will be invoiced at current pricing.

For orders entered **on or before May 29, 2019**:
If item is **In Stock**, it will be invoiced at current pricing.
If item is **Backordered**, it will be invoiced at new pricing.

For orders entered **after May 29, 2019:**
Items will be invoiced at new pricing.

We will continue to monitor the USTR actions and communicate any changes to the tariff rate, implementation date, or scope of items that would affect this announced increase or future increases accordingly.

Sincerely,

Robert Collier
